## Welcome to First Aid and CPR training!

We have received your application to attend first aid and CPR training. You do not need any materials prior to the class. **Please bring a pen.**

Training will begin promptly at 8am. Our instructor will arrive at the room just before the training, at approximately 7:45am. Class will be over by 5pm.

Prompt payment is appreciated. Online payment is available at [www.auroramedteam.org/firstaidpp.htm](http://www.auroramedteam.org/firstaidpp.htm)

You may wear your scouting uniform, organizational uniform, or any comfortable clothing.

A map to the Johnson Habitat a map is available online at:

<http://www.auroramedteam.org/maps/jhabitat.pdf>

At the Johnson Habitat there are no snack or food outlets within walking distance. You may bring a sack lunch or bring money for fast food. There will be a 45 minute break provided for lunch with several fast food outlets in the area. Participants without vehicles who want to purchase a lunch should be able to obtain a ride. You are welcome to bring any snacks or beverages for the day.

This presentation includes the new CPR standards released in 2005. This newly released interactive learning event will not require any pre-work or pre-reading. You will receive all materials at the class.

If you are unable to attend please contact us as soon as possible. You can call us by cell phone at 720-936-8599, or, send email to [registration@auroramedteam.org](mailto:registration@auroramedteam.org). If you need to reschedule there are future sessions.

You will receive your certification cards at the end of training. If there are any questions call us. We look forward to meeting you.

- Aurora Medical Team, First Aid Training Coordinator
