

AURORA MEDICAL TEAM – POST 525

offers a world class first aid training program for youth and adults

Advanced/Wilderness First Aid & CPR

This exceeds the requirements of Red Cross "Wilderness First Aid/CPR".

Enrollment is online at www.auroramedteam.org/firstaid.htm

Class is 16 hours, 8 AM – 5 PM, usually taught on weekends.

We are always adding new dates, so check our web site for current classes.

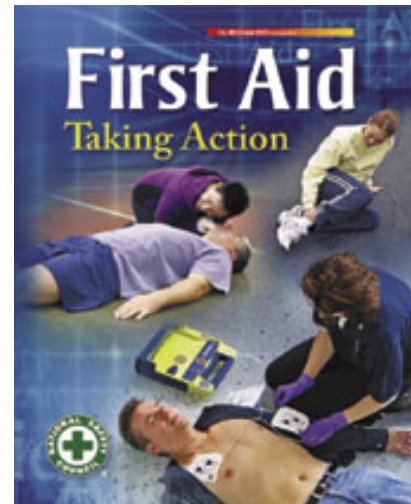

Scouters: This training has been recognized by Philmont and BSA.

The cost is \$75.

This new course offers 16 hours worth of curriculum, making it an ideal advanced presentation. Students will learn how to recognize an emergency, act appropriately, and sustain life in remote wilderness situations.

Includes:

- Basic life support for breathing and cardiac emergencies (CPR)
- Controlling bleeding and managing shock
- Safety and prevention issues
- Bones and joint care, splinting and wrapping
- Wound care and soft tissue injuries
- Automated External Defibrillator (AED)
- Rescuing and moving victims
- Cold and heat injuries
- Poisoning and prevention
- Primary and secondary victim assessment
- Caring for special injuries and medical emergencies
- Trauma management
- Accident scene procedures and multiple victims
- Special techniques for illness and injuries
- Special situations, behavioral emergencies, pregnancy and childbirth
- Advanced resuscitation techniques
- Wilderness first aid and remote care protocols
- First Aid Kits
- Oxygen use and emergency airways

AMT will teach this program at your location if you have a minimum of ten participants. Contact us for information.

Do you need to certify at the Standard First Aid level?
