

Check Us Out

Large-scale disaster simulation

Aurora Medical Team, Explorer Post 525, is a teen and adult volunteer group.

This is a Medical Club where members get the chance to learn about emergency medicine, either as a hobby or exploring the possibility of a medical career.

Adult leaders work with a group of motivated teens as we perform first aid and first aid education.

Who We Are

Real Medical Experience

Volunteer Teen Group

AMT is looking for teens to be part of our volunteer group.

We provide emergency first aid and first aid training to the community. There is camping, social events, visits to medical facilities, and first aid certifications.

We take members from anywhere in the Front Range area, with meetings at Rangeview High School in Aurora.

Adult Volunteers Are Needed

We are looking for adult volunteers to help us staff and maintain AMT. You don't have to be a medical professional to help out.

You should join us

We get to travel to camping sites throughout the Front Range area. There are presentations, regular meetings, and training on weekends. The group has been active since 1988.

Practical First Aid Training

Medical Support

AMT volunteers year round provide first aid services to community and business events. This is a chance to apply actual first aid and learn how emergency medicine works.

First Aid Training

AMT members teach first aid classes at all levels, from CPR classes to First Responder.

AMT recruits new members anytime.

Please visit our meetings, usually the 1st, 2nd, and 3rd Wednesdays, at Rangeview High School in Aurora, 17599 East Iliff Avenue, 7pm, in Room 134.

Please give us a call at 303-680-1507 and tell us if you are visiting or if you have questions. Hope to see you there!
